A detailed schedule of Fees and Charges for 2021/2022, including those within Council's Statement of Revenue Policy, is included in the "Budget Document".

Applicable fees set out in this section are to be waived for bona-fide community events. Community events are defined as those run by not-for-profit organisations based in the Bogan Shire area, excluding events run by government agencies and private functions. The exception to this is where Council assets are hired for funerals when fees are to be waived.
